

## FOR IMMEDIATE RELEASE

### MacGyver Solutions Selected as One of 11 Exceptional Small Businesses for the 2025 Missiles and Fire Control Small Business Awards

**Pinehurst, North Carolina — May 24, 2026** — MacGyver Solutions, a Service-Disabled Veteran-Owned Small Business (SDVOSB) and SBA-certified HUBZone company, is proud to announce it has been selected as one of only 11 companies recognized with the prestigious 2025 Missiles and Fire Control (MFC) Exceptional Small Business Award.

Presented annually by Lockheed Martin Missiles and Fire Control, the award recognizes small business partners that demonstrate exceptional performance, innovation, quality, and commitment in support of critical defense and national security missions.

The recognition highlights MacGyver Solutions' continued dedication to delivering mission-ready solutions, operational excellence, and responsive support to defense customers across the federal government.

"This award is an incredible honor for our team," said Mike Jackson, President. "Being recognized by Lockheed Martin Missiles and Fire Control reflects our commitment to supporting the warfighter and delivering reliable, innovative solutions to our customers. We are grateful for the partnership and trust placed in MacGyver Solutions."

MacGyver Solutions has built a reputation for providing specialized vehicle sustainment, logistics, expeditionary support equipment, and integrated mission solutions to Department of Defense and federal agency customers. The company continues to expand its capabilities and strategic partnerships in support of defense readiness and operational success.

As a trusted federal contractor, MacGyver Solutions supports a broad range of government programs through its GSA Multiple Award Schedule and extensive experience delivering specialized operational equipment and sustainment services.
